Hi Rebecca,

For State DLNR employees that will be participating in the scoping meetings, Steve Daugherty proposed using a memorandum similar to the attached guidance previously issued by Wade for State DOH employees. However, the form of the memorandum needs to be revised to apply to DLNR employees vice DOH employees. Also, the DLNR employees may need to have the memorandum issued to them by a State of Hawaii Deputy Attorney General that is different from Wade. Could you please check with Wade on making the appropriate revisions to change the type of State employees and replacing Wade's name with the name of the appropriate attorney, if required? Thanks for your help.

Rebecca,

As discussed, attached is the guidance previously issued by Wade for DOH employees. I think that we can probably continue to use this for DOH and that a similar approach should work for DLNR. It will not work for the BWS however because they do not receive their legal advice from the State AG's Office. The direction could be improved by specifically referencing the final AOC and section 10(d) of the AOC, but I don't think it is necessary at this point unless other's disagree.

v/r,
